Scoops: Who's moving, buying, opening, changing, winning

Pacific Business News (Honolulu) - by [PBN Staff](#)

Managed health-care provider will move offices to Waipahu

Ohana Health Plan, the newest addition to Hawaii's managed health-care provider network, will relocate to more permanent offices in Waipahu next week.

The health plan, which had set up temporary administrative offices at Seven Waterfront Plaza in Kakaako, will move to offices at the Plaza at Mill Town, a new retail and business center that opened earlier this year.
